WHY: The Midnight hosts Music With A Mission (MWAM) to entertain and inspire those living on Skid Row. Music is a survival tactic for many people in dealing with life's difficulties. MWAM is aimed at bringing our community together through music. MWAM is quite simple. Musicians bring their instruments and play for our homeless and near-homeless guests. It is an intimate setting, so musicians have the opportunity to interact with our guests, answer questions, and/or talk about music and its history. We encourage musicians to invite their fan base so they can engage and enjoy music with individuals they would not normally encounter in their daily lives.

About The Midnight Mission: Founded in 1914, The Midnight Mission offers paths to self-sufficiency to individuals and families who have lost direction. Our emergency services and 12-step recovery, family living, job training, education, and workforce development programs offer a compassionate bridge to achieve and maintain healthy, productive lives. We remove obstacles and provide the accountability and structure that people experiencing homelessness need to be productive in their communities. Our conviction and commitment to their success define us. For additional information, please visit www.midnightmission.org.
